Dear Undergraduate Students,

The new academic year is approaching. In view of the current situation of the pandemic, we would like to inform you about the following teaching arrangements for the 1<sup>st</sup> semester of academic year 2020/2021:

1. The classes for the coming academic year will begin on 7 September and you may refer to the Registry's webpage for the 2020/2021 University Almanac (<https://reg.um.edu.mo/university-almanac/>).
2. All teaching activities will resume normal in the new academic year and classes will mainly be arranged on a face-to-face teaching basis. Students should pay close attention to the Special Webpage against Epidemics of the Health Bureau of the Macao SAR (<https://www.ssm.gov.mo/apps1/PreventCOVID-19/en.aspx#clg17458> → Quarantine Measures upon Arrival) about the medical observation and prevention guidelines. You should start making arrangements for returning to the campus for the new academic year. If students fail to return to the University for classes due to immigration procedures, the University will arrange online classes for these students.
3. The Residential Colleges (RC) will arrange moving-in procedures in batches from 17 August. Details will be announced by the RCs.

Students must pay attention to the physical and mental health of yourselves and others. Please be reminded to wear a mask, wash hands frequently, keep a distance and avoid crowd gathering. The University is closely monitoring the situation of the pandemic and will make necessary adjustments to the teaching arrangement in accordance with the announcements and prevention guidelines of the Macao SAR government. Please pay close attention to the University notice and emails about any updates.
