about JAE

JAE is not a unified examination

The admission examination of JAE subjects that candidates have to take depend on the admission requirement set out for the individual programme of the relevant institution.

JAE is not the only way for admission

The Four Institutions will include other factors for overall consideration depending on the admission requirements of the programme applied by the candidates.

No cut-off mark for JAE

No cut-off mark and no benchmark for pass or fail for JAE. Each of the Four Institutions sets its own admission procedures and standards.

No centralized allocation

Students will still follow the current application procedures. Details can refer to the academic requirements of the higher education institutions.
