University of Macau – Registry 《Personal Data Collection Statement》

The University of Macau (UM) being a public institution of higher education as set in Law No. 1/ 2006, in accord to the purposes of confirming the eligibility of application and for the selecting process, requires the applicants to fill in an on-line application form. The personal data collected in the form will be used for the mentioned purposes. The University of Macau undertakes to observe the spirit of the data protection principles and will make every effort to ensure the confidentiality and integrity of the personal information being collected and held by the University. However, the transmission of personal information over the Internet may lack protection and security. There is a risk that your information may be accessed or used by an unauthorized third party.

The personal data collected and registered on application form by registered or deferred students will be transferred to the student file established by the University, whereas data of other applicants will be kept for 1 year after the completion of application. The above personal data may also be transferred within the University and to entities that are in accordance with legal provision or with your prior consent, for the purpose of University administration.

The application will not be proceeded if applicants fail to fill in any of the mandatory fields as required in the application form in accord to the personal-identification and education-related information.

To make correction of your personal data held by the University or to apply for related testimonials, applicants of the Bachelor's Degree Programmes can submit the request to the Registry.
