

Introduction to New Minor Programme

06/03/2019

General Principle

**Minor must have a Knowledge Area
different from the Major.**

**It is an additional area of study of a
bachelor's degree programme.**

General Rules

- Minor must be comprised of 30-35 credits of courses.
- Courses taken for Minor **cannot be counted** towards the Major, and vice versa.
- To pursue Minor, students should achieve a cumulative GPA of 2.0 or above.
