INSTRUCTIONS FOR MEDICAL EXAMINATION

1. Target

- 1.1 All new students of Bachelor's Degree Programme and resuming students concerned must bear the 'Medical Examination Report' (REG/Form/015), follow the requirement in accordance to point 2 below, and complete the medical examination at the related medical units.
- 1.2 Students admitted through 'Principals' Recommended Admission' are advised to proceed the medical examination from the end of May, as the medical examination report is valid for 3 months only.
- 1.3 Exemption
If a student has already had a medical check-up in a 'Macao Government Health Centre' or 'Kiang Wu Hospital' within 3 months prior to registration, he/she may be exempted from having medical examination. But the student concerned must present the 'Medical Examination Report' (REG/Form/015) to the 'Macao Government Health Centre' or 'Kiang Wu Hospital' and request the medical unit to complete the form with the necessary information.

2. Locations for Medical Examination

- Macao students: may go to any 'Macao Government Health Centre' or 'Kiang Wu Hospital' to complete the required medical examination procedures.
- Chinese Mainland students: must go to 'Kiang Wu Hospital' to complete the required medical examination procedures.
- Non-Macao students (except Chinese Mainland students): may go to any public hospital in their country of origin, any 'Macao Government Health Centre' or 'Kiang Wu Hospital' to complete the required medical examination procedures.

ATTENTION: Please pay attention to the following procedures before you go to the 'Macao Government Health Centre' or 'Kiang Wu Hospital' to complete the required medical examination:

Macao Government Health Centres	Kiang Wu Hospital
<p>Step 1: Obtain a chest X-ray report from the Centre of Prevention and Treatment of Tuberculosis of Department of Health (Address: Estrada da Vitoria, no.40, Tel: (853) 2853 2196)</p> <p>Step 2: Present the chest X-ray report and bring the 'Medical Examination Report' and the vaccination record to a government-registered doctor of the Health Centre of your community during the schedules examination. Part I of this 'Medical Examination Report' should be completed in the presence of a doctor.</p>	<ul style="list-style-type: none"> ✓ Students may also complete a medical examination at the Kiang Wu Hospital at their own expense. Please call (853) 8295 8501 or (853) 8295 8502 for details. ✓ Students should bring the 'Medical Examination Report' and the vaccination record in order to complete medical examination. Part I of this 'Medical Examination Report' should be completed in the presence of a doctor.
<p>Students are advised to go to the related medical units to schedule appointment(s) for completing the above procedures as soon as possible, so as not to delay their admission procedures and classes.</p>	

3. Medical Examination Documents That Should be Submitted During Registration

- A completed 'Medical Examination Report' (The 'Medical Examination Report' is valid for 3 months from date of completion. It must bear the doctor's signature and the stamp of the hospital or medical centre where the medical examination has been conducted); and
- A copy of the vaccination record (Personal Immunization Record) - including the pages about personal information and valid vaccination record. (For details of vaccination items please refer to the guidelines overleaf. Please bring along the original of the record upon submission of the 'Medical Examination Report' for checking when needed.)

◆ The Report is used only for admission to University of Macau. The University has the right to verify the health status of students for admission purpose. Student must submit the 'medical examination report' in order to proceed the admission procedures, or he/she will not be allowed to attend classes.
