### A. INTRODUCTION

A multi-purpose UM Campus Card is issued for all members of the University (academic and administrative staff as well as students) for identification, facility/physical access control, information system access and electronic cash transactions.

### B. FUNCTIONS OFFERED BY THE CARD

The UM Campus Card serves as:

- A facility access card to various facilities on campus, including the computer rooms, laboratories, offices, etc.;
- An E-purse card for making small purchases on campus;
- A residential college dining card.

### C. ACCESS CONTROL TO UNIVERSITY'S FACILITIES

With a valid UM Campus Card, a student is able to access all ICTO computer rooms. However, access to other facilities, such as individual faculty laboratories, has to be approved in advance by the relevant academic units. For further information, please contact ICTO Help Desk.
